

SHAPERS Academic Advisor

- AI-backed academic guidance for Indian students
- Admin pathway builder, Chat, Analytics
- Author: Your Name

What It Does

- End-to-end pathway guidance (Class 11→PG)
- Provider-agnostic AIClient (OpenAI/Google/Dialogflow/Mock)
- Appointment booking, exports, analytics

Admin Pathway Builder

- Select field, location, keywords
- Generates structured pathway JSON from AI
- Includes institutions, fees, salary outlook

Live Chat

- Provider-agnostic chat with saved profile
- Export responses as text/PNG/PDF
- Analytics logging and sentiment

Interaction Analytics

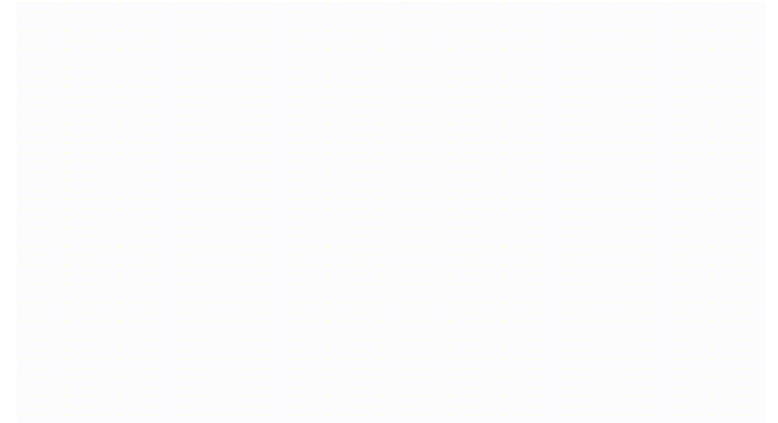

- Conversation volume, sentiment trends
- CSV export and downloadable reports
- Helps identify knowledge gaps

Testing & QA

- Unit tests (pytest) and Playwright UI tests
- Conversational accuracy testing planned
- Demo assets included in repo

Submission

- See SUBMISSION.md for evaluation checklist
- Demo GIF included: demos/admin_demo.gif
- Run scripts/demo_chat.py to reproduce

Next Steps

- Professional analytics dashboard
- Improve sentiment accuracy and labeling
- Document architecture and API flow
